

INUSHA LAKSHAN

Business Information Systems Undergraduate

ABOUT ME

I am a motivated and detail-oriented aspiring ERP professional with a strong interest in Enterprise Resource Planning (ERP) systems. I have foundational knowledge of SAP and hands-on experience working with SAP systems. I enjoy working with business processes, ERP data, and system functionalities, and solving problems using analytical and technical skills. I am eager to apply my knowledge and hands-on SAP experience in a professional environment, learn from experienced professionals, and contribute to business process improvement as an ERP Intern.
